looking on the ladies, whose profession it peculiarly is, I find it hard to express myself in their presence. Every thing is humbug; the whole State is humbug, except our Agricultural Society—that alone is not.
Humbug is generally defined "deceit or imposition." A burglar who breaks into your house, a forger who cheats you of your property, or a rascal, is not a humbug; a humbug is an imposter; but in my

opinion the true meaning of humbug is management But no humbug is great without truth at the bot-

tom. The woolly horse was a reality. He was really born with a wooly coat. I bought him in Cincinnati for \$500 and sent him on to Connecticut, but for a long time I doubted what I should do with him, and scared that he would die on my hands. Just at this time, in 1849, Col. Fremont and his party were reported to have been lost among the Rocky Mounfor the woolly horse.

It was duly announced that after three days' chase captured him, and I charged a quarter for the sight. The picture outside the exhibition depicted the anibelieved that he could have survived such a leap, would have been the grossest humbug.

TIMBER-For the past two or three weeks there has been little or no Timber brought to market, in consequence of which the supply in millers' hands has become very light. One raft received a day or two since, and sold this morning at \$13 \$2 M. for common quality.

FREIGHTS-There is little or no alteration to note in rates quoted last week. The quantity of produce arriving and on market is still very small, (in fact, lighter than it has been for a year or two past,) and is not near sufficient for the vessels in port, a large number of which are lying idle, waiting for car-goes. We refer to our table for last rates paid coastwise.
